\* Inca 259 8" Table Saw & Accessories with Mortising Table, Tenoning Jig, & Dado Set.

\*\* Festool 495315 MFT Multifunction Table (portable workbench) & Tracks with Makita Track Saw.

#### What to do with Selected Tools / Equipment:

Please check your name for any selected (greened) items, and plan to bring them to our new shop when the time co

If you have any non-selected (not greened) items, you may now decide who you'll be giving or selling them to.

On behalf of the Applewood Pointe of Apple Valley Workshop – Thank You!

#### What to do with smaller power tools and hand tools:

A goal is to have a nice collection of "portable" tools that can be "checked out" for use outside the shop.

<i>We settled on a “common sense” approach.</i>
<i>If you have something that's unique, common but new, or potentially popular donating it to the shop is encourage</i>
